

COOP Training website

For KFMC

Supervisor name : Naif Alqahtani

YEAR

2023-24

website goles:

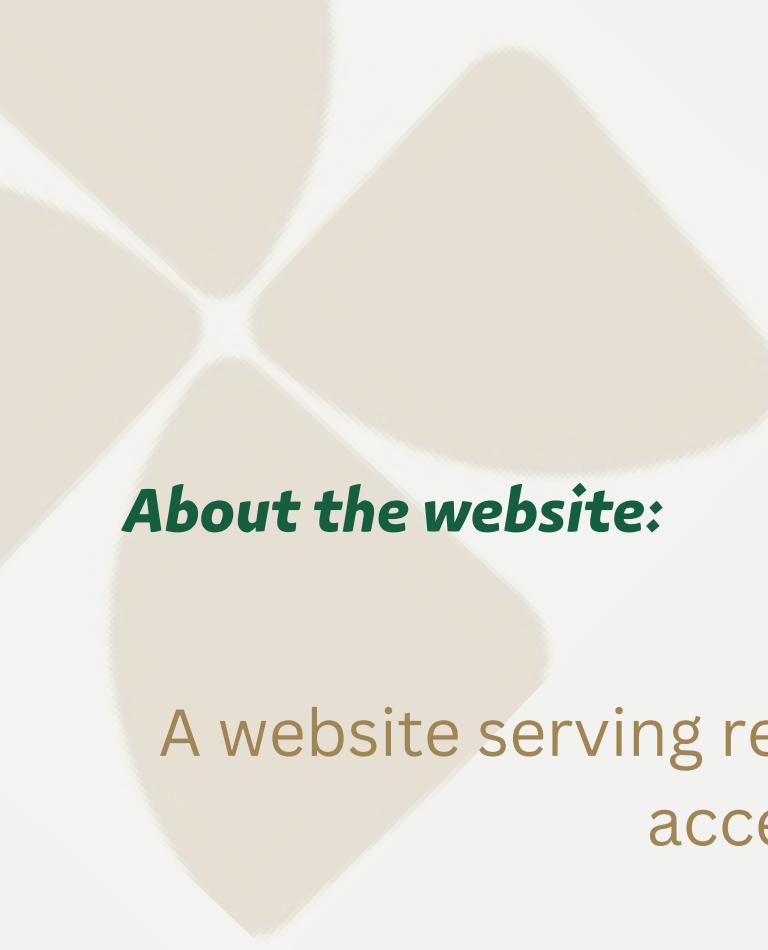

Quick completion of admission procedures

Facilitate the request to join the cooperative training.

Saving time and effort

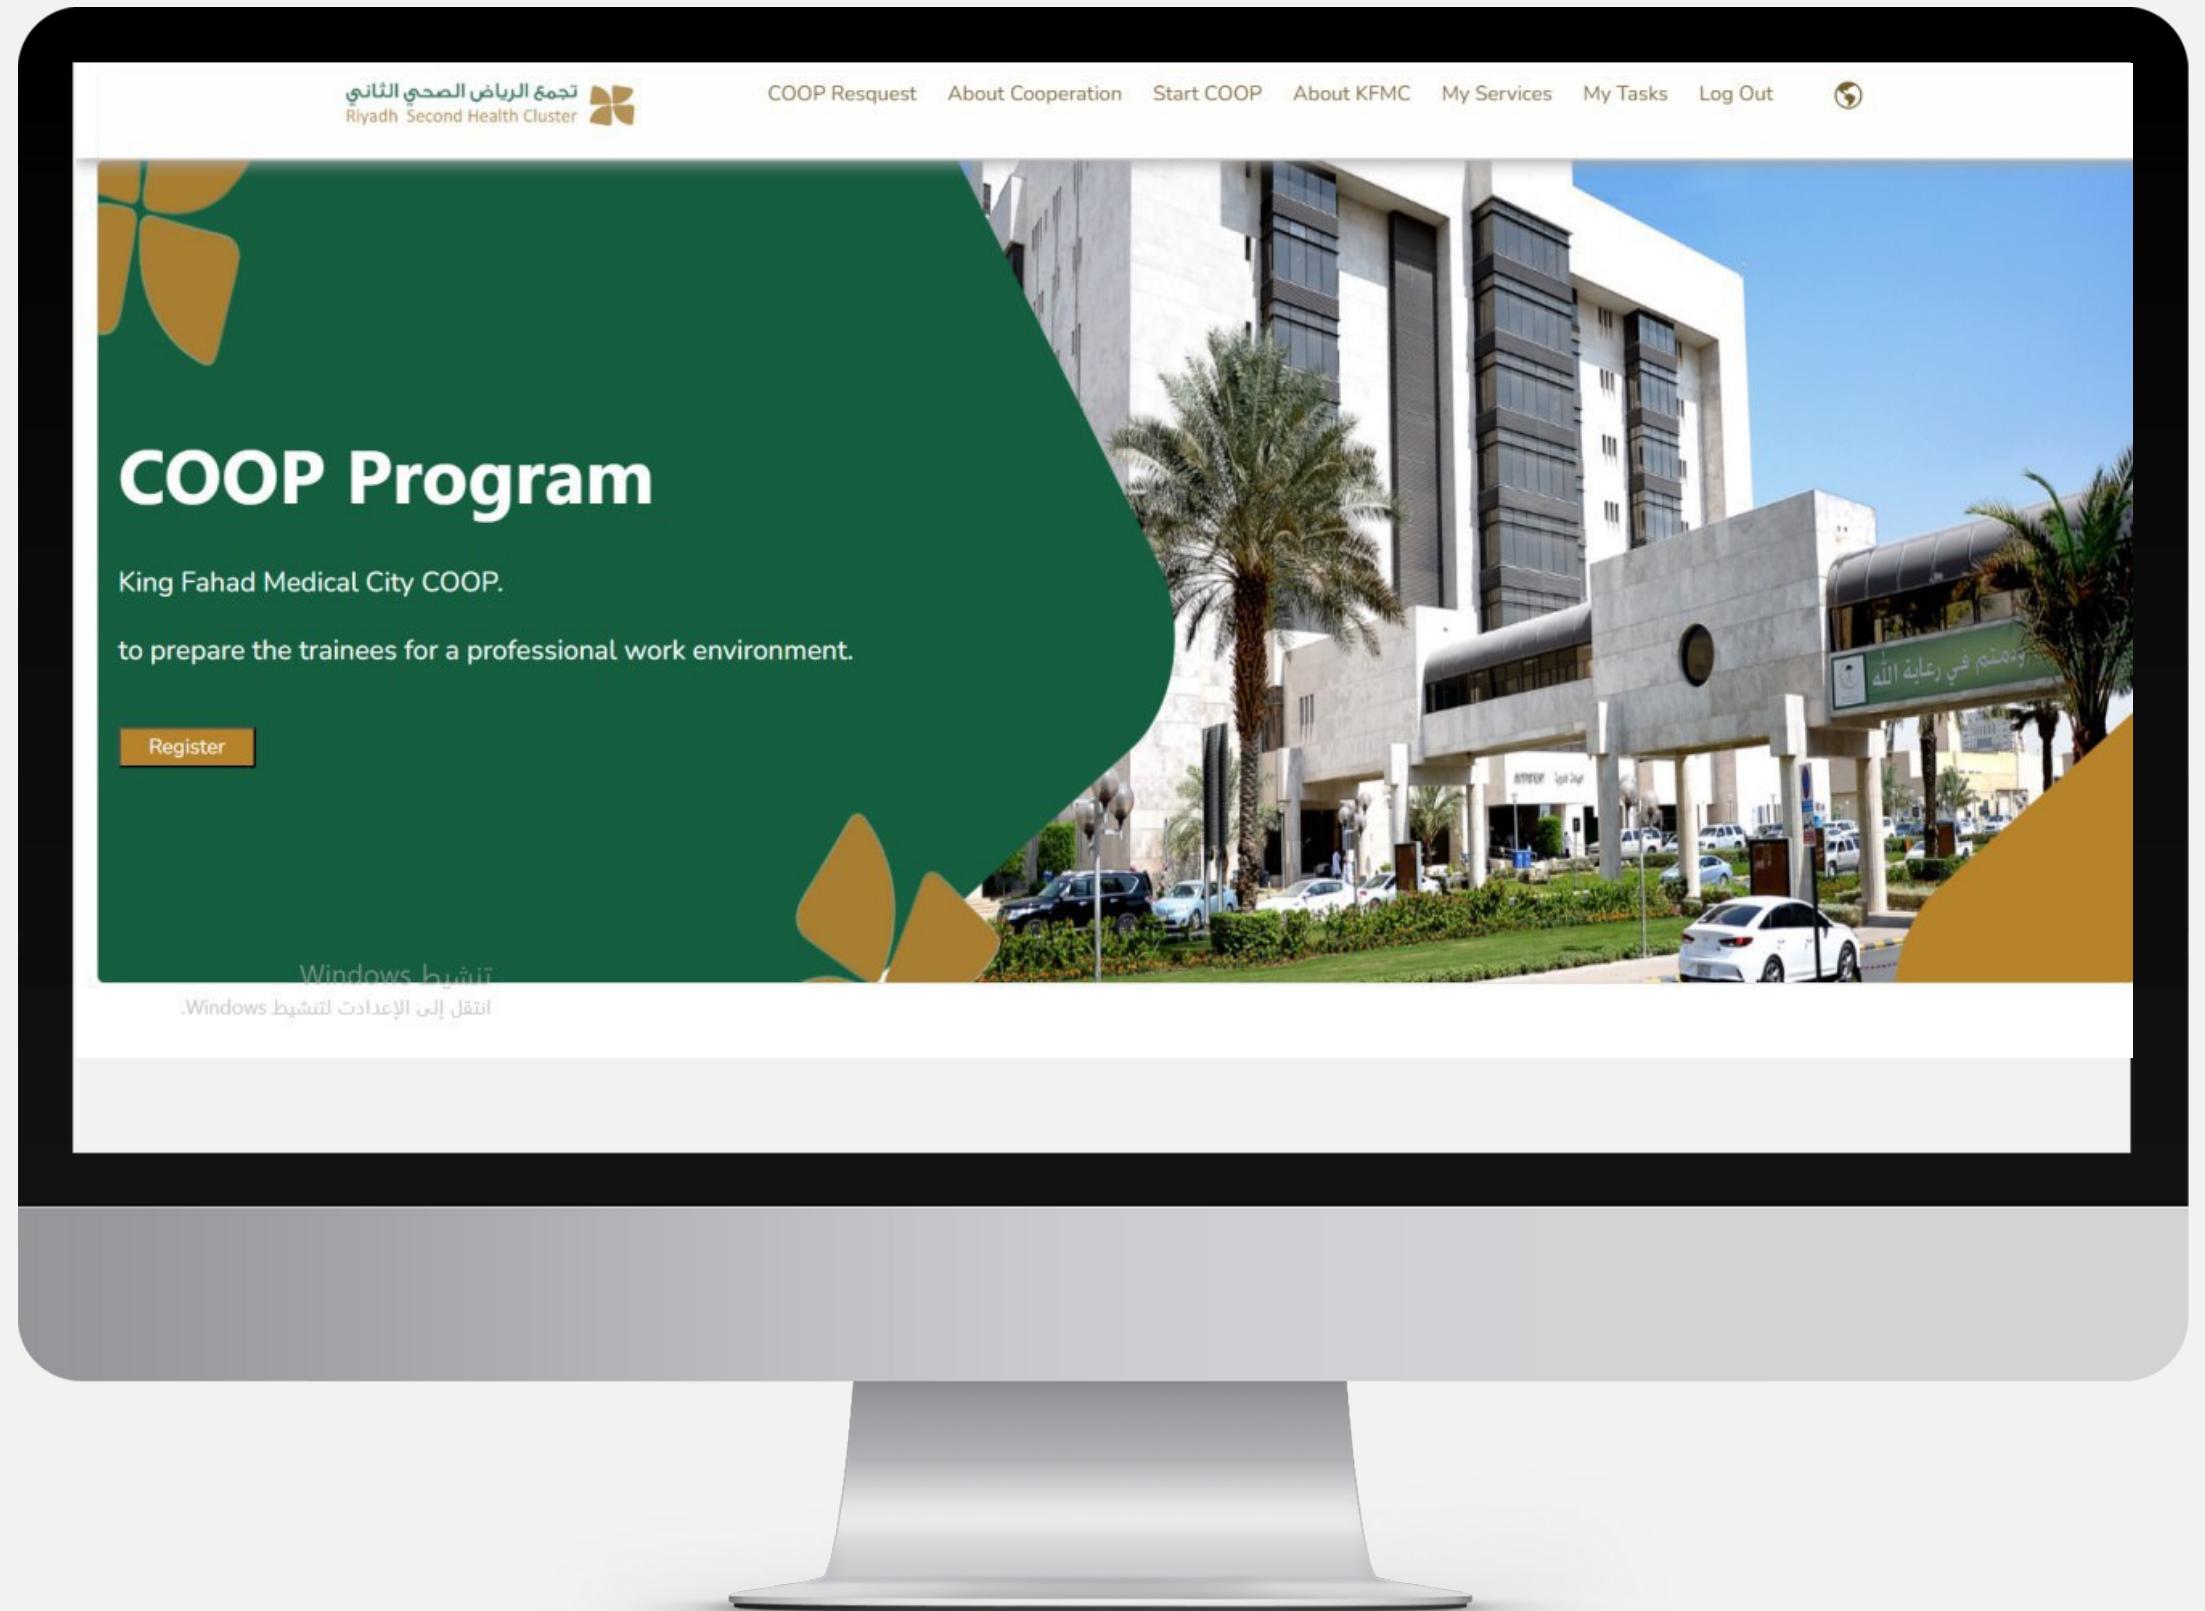

About the website:

A website serving requests for cooperative training in King Fahd Medical City, Which facilitates the enrollment, acceptance, and evaluation process, saving time and effort and reducing paper

Home page for user

The user able to sign up /log in and apply to coop application
and know more information about KFMC

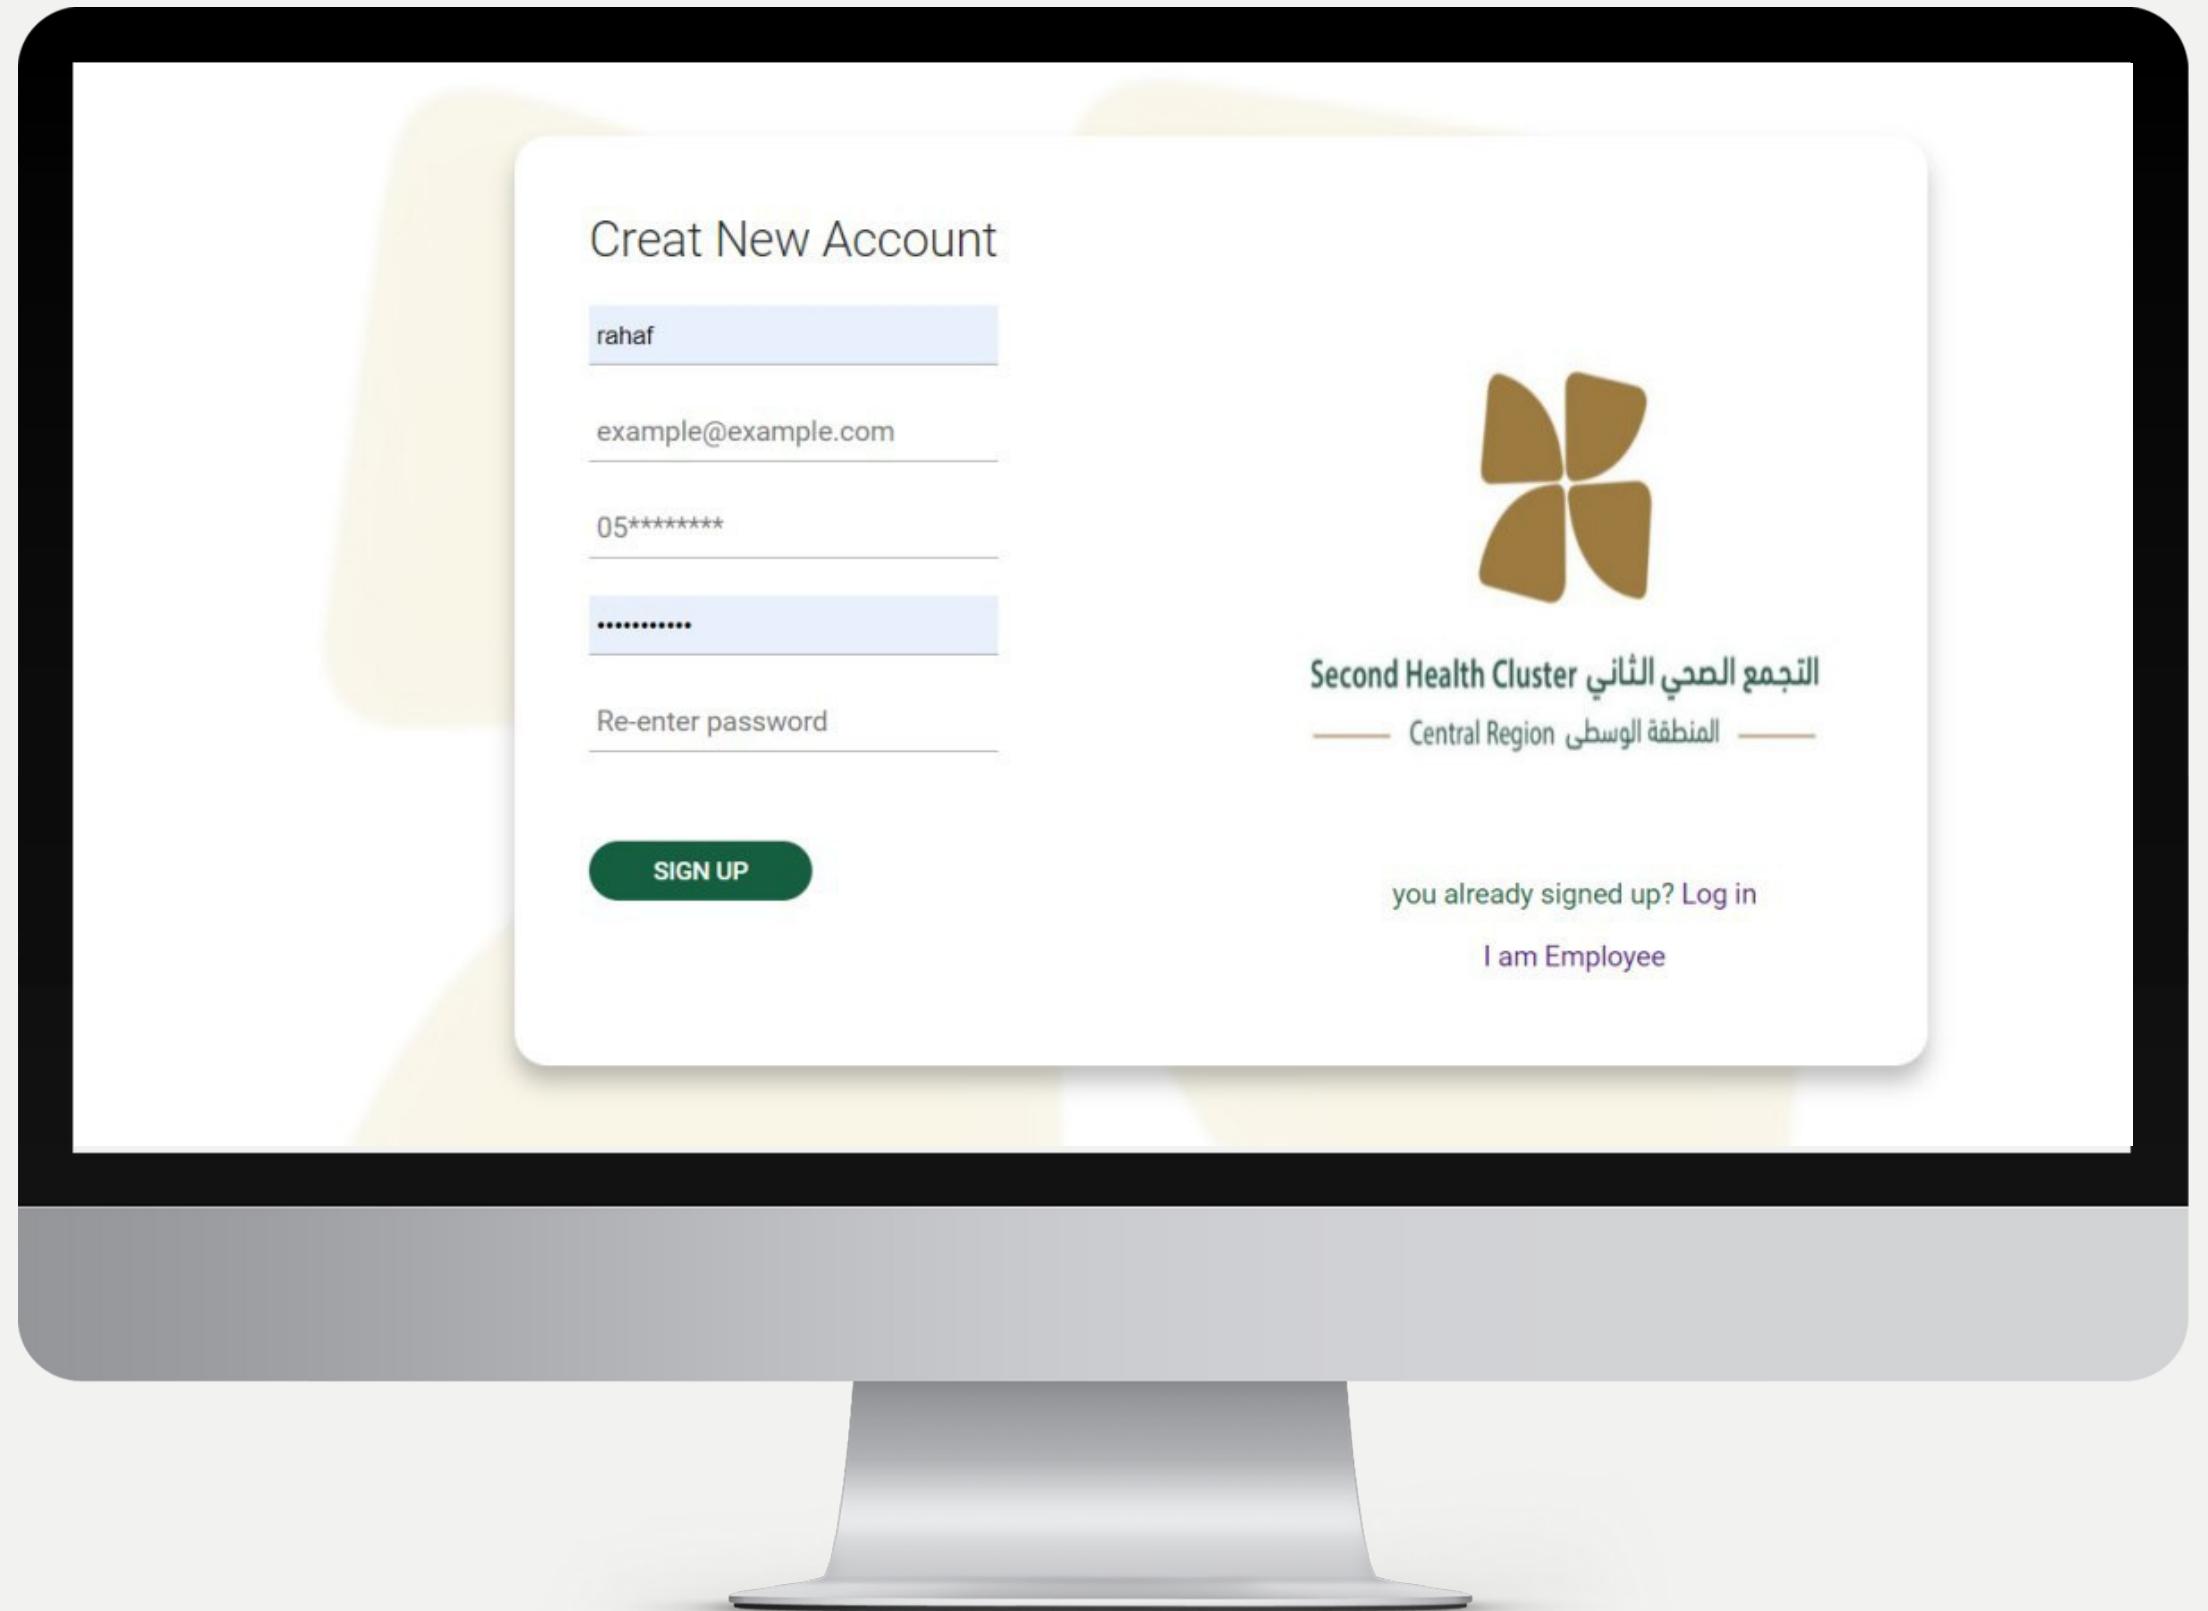

ChatBot with Home page

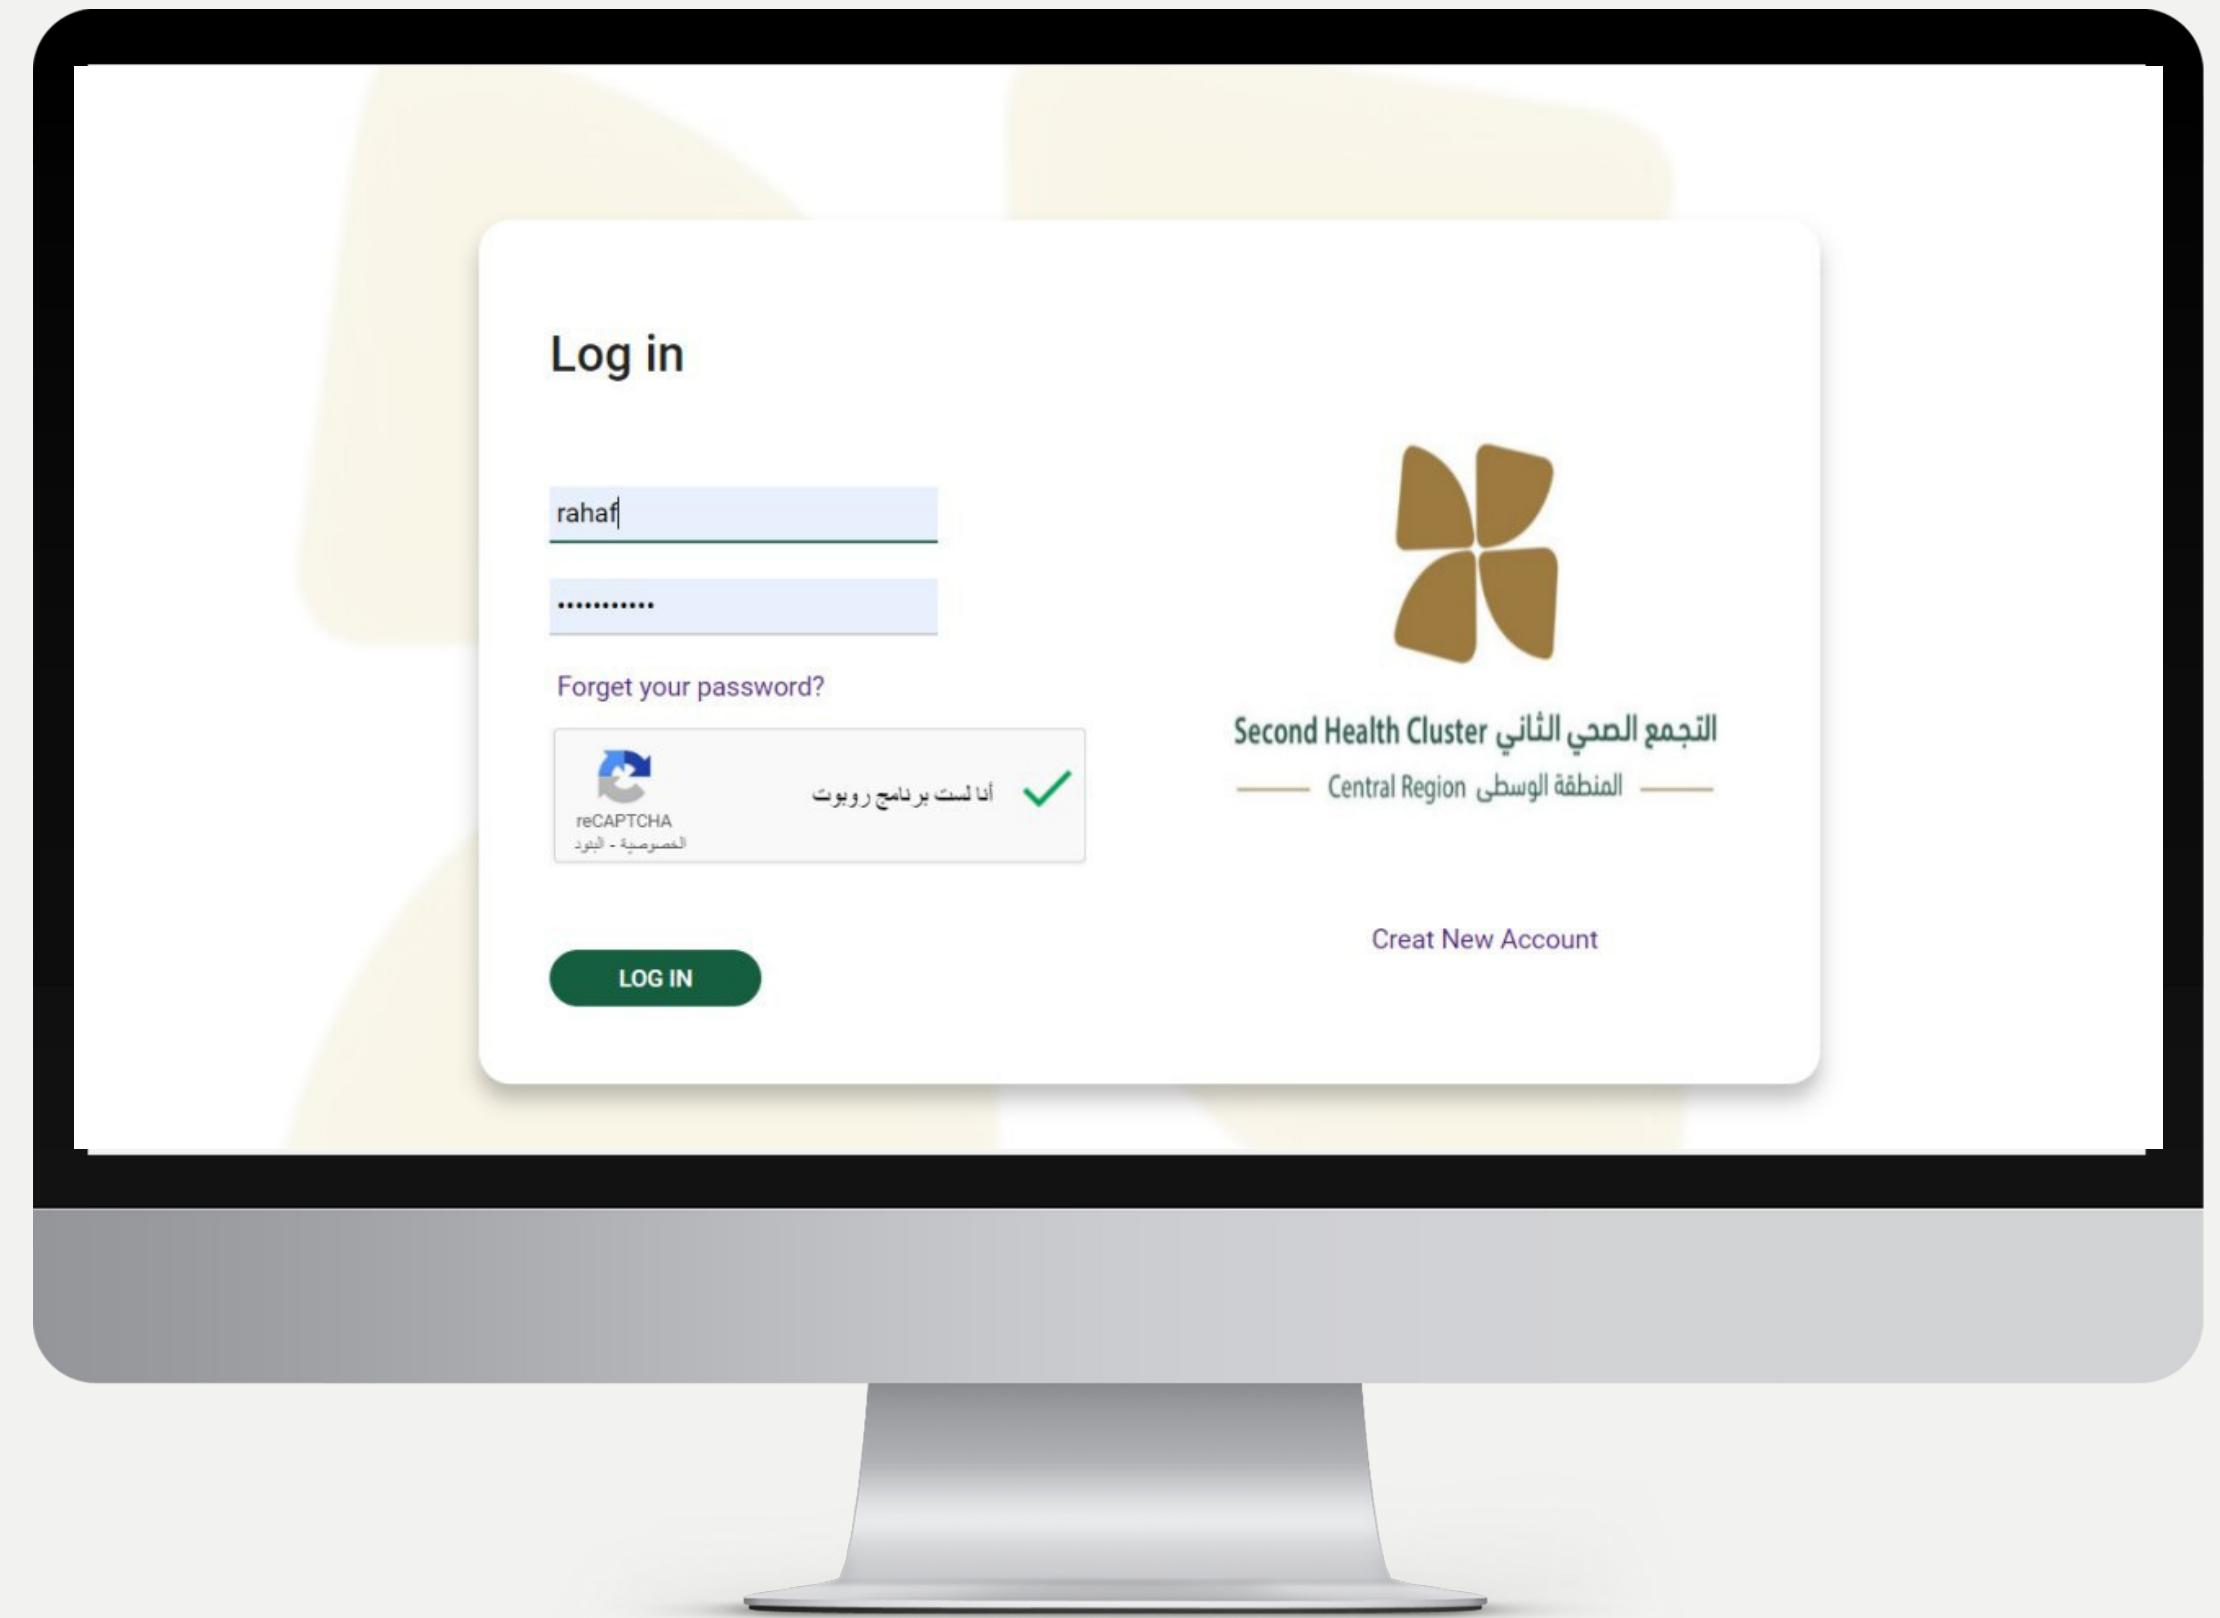

The monitor screen shows the homepage of the 'Riyadh - Second Health Cluster'. The header features the cluster's name and a green banner. Below the banner, there are sections for 'About Cooperation' and a detailed description of the Cooperative Training Program. To the right of the text is a large image of a modern, multi-story hospital building with glass windows and palm trees in front.

The mobile chatbot interface on the right side of the monitor shows a conversation between a user and 'KFMC Online'. The user asks about coop training, and the bot responds with an email address. The user then asks where the training is located, and the bot provides the address: 'King Fahd Medical City in the city of Riyadh, Medical City Gate No. 2 - College of Medicine - Second Floor'. The interface includes a logo for 'KFMC' and a small image of the building.
